## **SIN 736-1, Administrative Support & Clerical Operations**

### **01011 Accounting Clerk I**

Performs very simple and routine accounting clerical operations, for example, recognizing and comparing easily identified numbers and codes on similar and repetitive accounting documents, verifying mathematical accuracy, and identifying discrepancies and bringing them to the supervisor's attention. Supervisor gives clear and detailed instructions for specific assignments. Employee refers to supervisor all matters not covered by instructions. Work is closely controlled and reviewed in detail for accuracy, adequacy, and adherence to instructions.

### **01012 Accounting Clerk II**

Performs one or more routine accounting clerical operations, such as: examining, verifying, and correcting accounting transactions to insure completeness and accuracy of data and proper identification of accounts, and checking that expenditures will not exceed obligations in specified accounts; totaling, balancing, and reconciling collection vouchers; posting data to transaction sheets where employee identifies proper accounts and items to be posted; and coding documents in accordance with a chart (listing) of accounts. Employee follows specific and detailed accounting procedures. Completed work is reviewed for accuracy and compliance with procedures.

### **01013 Accounting Clerk III**

Uses a knowledge of double entry bookkeeping in performing one or more of the following:

- Posts actions to journals,
- identifying subsidiary accounts affected and debit and credit entries to be made and assigning proper codes;
- reviews computer printouts against manually maintained journals, detecting and correcting erroneous postings,
- and preparing documents to adjust accounting classifications and other data; or reviews lists of transactions rejected by an automated system, determining reasons for rejections, and preparing necessary correcting material.
- On routine assignments, employee selects and applies established procedures and techniques.

Detailed instructions are provided for difficult or unusual assignments. Completed work and methods used are reviewed for technical accuracy.
